SPECIFIC INSTRUCTION

Please send us the followings for a new denture order:

1. Final impressions (upper & Lower)
2. Bite rims with stabilized baseplates
3. Mark mid-line, distal of cuspids, high smile line, and verify lip support
4. Patient photos with the bite rims in place (full smile, reposed, and profile)

If the patient has existing dentures:

1. Existing dentures with wash impression and bite registration
2. Indicate any changes to the existing denture in specific instruction
3. Patient photos with the bite rims in place (full smile, reposed, and profile)

If you're sending digital impressions, please follow the scanner manufacturer's guidelines and send us the scan with this order form and photos attached.
